Division Director

June 28, 2004

Subject: **Notification of Permit Fees for Fiscal Year 2004-2005 & "ANNOUNCEMENT"**

Dear Permittee:

There have been several changes in the Minerals Regulatory Program during this past year. This letter and the enclosed "ANNOUNCEMENT" to all operators with active permits, serves as official notification of those changes.

#### **Permit Fees – no change**

We are now entering our seventh year of annual permit fee assessment as authorized by the Utah State Legislature in 1998. The fees remain at:

Exploration projects	\$150.00	Large Mines (less than 50 acres disturbed)	\$500.00
Small Mines	\$150.00	Large Mines (over 50 acres disturbed)	\$1,000.00

The minerals rules require the payment of an annual permit fee for all mining and exploration active permits (note: the mine/project may be inactive; however, if the site has not been fully reclaimed and officially released by the Division, the permit remains active and permit fees are required).

*Permit Fees for the 2004-2005 fiscal year are due by July 30, 2004, the last Friday of July.*

**Note:** If the site is fully reclaimed (i.e., 3 growing seasons have passed & conditions meet the 70% pre-mining vegetation standard) and you no longer wish to keep your permit active, you may check the box on the billing form requesting a site inspection (see item #5 on reverse side of this sheet). *Before you check the box requesting an inspection and file closure*, please make certain that all mining related waste, trash and debris have been removed, and that the vegetation is well established.

*Delinquent fee notifications will be turned over to the Utah Office of Debt Collection (see item #6 on the reverse side of this sheet).*

If you have any questions or concerns regarding this letter or the enclosed "Announcement", please contact Joelle Burns at (801) 538-5291, or Daron Haddock at 538-5325. Thank you for your expeditious attention to this annual permitting requirement.

Sincerely,

D. Wayne Hedberg  
Permit Supervisor  
Minerals Regulatory Program
